EuroEyes Achieved A Record-Breaking Number of New Patients Applying for Eye Surgeries

[16 September 2021, Hong Kong] **EuroEyes International Eye Clinic Limited** (“EuroEyes” or the “Company”, together with its subsidiaries, the “Group”, stock code: 1846), a leading global vision correction service provider, is pleased to announce that the Group reached the total number of new eye surgery appointments which the Group had for the whole year of 2020 on 14 September 2021.

During the first eight months of 2021, the total number of surgeries performed by EuroEyes was 17,330, which was approximately 34.2% more than the corresponding period in 2020 (being 12,917 surgeries), and approximately 36.5% more than the corresponding period in 2019 (being 12,692 surgeries), respectively. In terms of each region, Germany performed 11,265 surgeries, representing an increase of approximately 29.4% than the corresponding period in 2020. The PRC performed 4,262 surgeries, up approximately 42.0% than 2020. And Denmark performed 1,803 surgeries, up approximately 49.4% than 2020.

Dr. Jørn Slot Jørgensen, the Founder, Chairman and CEO of EuroEyes commented, “We are very excited that the Group successfully capitalized on the strong demand for eye surgeries and achieved a record-breaking number of new eye surgery appointments. The new patient appointments provide a clear visibility of new eye operations in the future, which is expected to drive our revenue growth. In the coming future, with the establishment of our new consultation centres, our ability in acquiring new patients will be further strengthened. Looking ahead, we will continue to leverage our top-notch market position and remain committed to pursuing our goal for ‘Nie wieder Brille!’ (No More Glasses), thus achieving rapid and sustainable business growth and creating greater value for shareholders.”
