(Stock Code : 1846)

**Groundbreaking Ceremony Held for Euroeyes' Chengdu Clinic
Trial Operation to Commence in Early 2022**

[29 September 2021, Hong Kong] **EuroEyes International Eye Clinic Limited** (“EuroEyes” or the “Company”, together with its subsidiaries, the “Group”, stock code: 1846), a leading global vision correction service provider, announced today that the Group hosted a groundbreaking ceremony for its Chengdu clinic, the second eye clinic in Southwestern area of China and the eighth one in the PRC, on 29 September 2021. The construction work of Chengdu clinic will be completed by the end of 2021. It is scheduled to start trail operation in early 2022.

Chengdu clinic, equipped with a floor area of 454.8 square meters, is located in Chengdu's Jin Jiang District, close to Taikoo Li, the famous high-end commercial area, which is expected to bring a high brand exposure and attract more mid to high end customers.

Dr. Jørn Slot Jørgensen, the Founder, Chairman and CEO of EuroEyes said, “In view of the surging demand for vision correction services in China, following the grand opening of our Chongqing Clinic, we have decided to establish a new clinic in Chengdu to further expand our vision correction service coverage to patients in the Southwestern part of China. We believe that Chengdu clinic will be a strong addition to EuroEyes' existing China clinic network, providing synergy effects to our business development and accelerating the Group's growth momentum in China. Looking ahead, the Group will continue to capitalize on the booming eyecare demands in China through strategic expansion, to reward our shareholders with attractive returns over the long term.”

Groundbreaking Ceremony Held for EuroEyes' Chengdu Clinic

About EuroEyes International Eye Clinic Limited

EuroEyes was established in 1993 and is one of the leading brands in the vision correction industry that combines German ophthalmology excellence and over 25 years of experience with individualised customer care. EuroEyes is one of the few eye clinic groups with a far-reaching geographical coverage, with operations in Germany, Denmark and the PRC. The Group's vision correction services include (i) refractive laser surgery (which includes ReLEx smile and Femto LASIK); (ii) phakic lens (ICL) surgery; (iii) lens exchange surgery (which includes the monofocal and trifocal lens exchange surgery) and (iv) others (which include PRK/LASEK and ICRS implantation).
