EuroEyes Recognised as Leader in ICL Implants in Europe

Accolade from STAAR Surgical reinforces EuroEyes' leadership in ophthalmology

Hong Kong, 27 October 2022 – EuroEyes International Eye Clinic Limited (“EuroEyes” or the “Company”, together with its subsidiaries, the “Group”, HKEX: 1846) a leading global vision correction service provider, announced today that it is awarded EVO Toric Visian ICL® 5000 and EVO Visian ICL® 5000, making it the 6th time the Group has been crowned the most ICL implantations in Europe.

Dr. med. Jørn S. Jørgensen, Founder, Chairman and CEO of EuroEyes, and **Mr. Jannik Jonas Slot Jørgensen, Executive Director of EuroEyes**, were both recognised for the feat by STAAR Surgical Company (“STAAR”), further reinforcing the Group’s leadership position in vision correction, particularly in the use of Implantable Collamer® Lens (ICL) for myopia and astigmatism treatment.

Dr. med. Jørn S. Jørgensen, Founder, Chairman and CEO of EuroEyes, said: “We are honoured to be once again crowned champion for performing the most ICL implants in Europe. STAAR is an innovator in ICL, and we are pleased they are our long-term partner. Our clinics around the world uses STAAR’s technology to help thousands of patients regain clear vision.”

“Lens surgeries, including ICL, is an integral part of the EuroEyes business and we have been successfully capturing the unique and large market opportunities in this segment, which contributed 65.3% of total revenue for the Group in 2021. Our strategy of focusing on lens surgeries has been driving the Group’s revenue and margin increase, and it will continue to be the foundation of consistent business growth in the future,” **Jørn S. Jørgensen** added.

The latest award adds to the long list of achievements by EuroEyes, including most recently [“Leading EVO Visian ICL Implanter in Germany 2021”](#) and [“Largest Implanter of Zeiss AT LISA® Trifocal Intraocular Lens \(IOL\) Worldwide”](#) accolades.
